Product of the Year Onsite at PharmaExpo 2016 Booth W-417

SEATTLE, WA — October 31, 2016 — The AeroGo Stainless Steel Air-Powered Pallet, silver medal recipient of the Plant Engineering “Product of the Year,” will be onsite and operational at PharmaExpo booth W-417 at Chicago’s McCormick Place Convention Center. The stainless steel pallet, which is capable of lifting and moving up to 31,000 lbs., received the second highest number of votes from the readers of Plant Engineering magazine to attain the Silver Medal in the Material Handling Systems category for the 2015 Product of the Year Awards. Products are nominated based on “*Plant Engineering*’s reader’s selection of outstanding new products that help them do their jobs smarter, safer, more efficiently and more productively.”
