**AeroGo, Inc. Hires Michael McClatchey as Western Regional Sales Manager**

***Focus on Flexible Manufacturing Solutions***

**SEATTLE, WASHINGTON, December 10, 2018** — AeroGo, Inc. is pleased to announce that Michael McClatchey has joined the firm as Western Regional Sales Manager. McClatchey will be responsible for business relationships and dealer development across the western half of the United States and Canada. He will provide application analysis at customer sites and general management responsibilities for the territory. Paul Jakse, Vice President, Sales, stated, "Michael's reputation for exceptional customer service is an excellent fit for AeroGo. He brings a fresh perspective and a wealth of industry knowledge exactly suited to our customer base. We are proud Michael elected to join the AeroGo team."

McClatchey has more than two decades of experience working with global manufacturers to define and engineer flexible processes to enable efficient production. His expertise in project

management and problem solving will enhance customer relations. Additionally, he will directly support the growing dealer network in the western United States and Canada.

McClatchey resides in Sacramento, California and can be reached at (916) 799-8450 or via email at [mcclatchey.m@aerogo.com](mailto:mcclatchey.m@aerogo.com).

AeroGo manufactures innovative load moving equipment, utilizing wheels and hovercraft technology that move heavy, awkward, or delicate loads. Companies large and small benefit from a worldwide dealer network, experienced product specialists, and skilled engineers. We work with you to find a load moving solution that is safe, efficient and cost-effective.
