Nolan Centers Joins AeroGo as Plant Controller

SEATTLE, WA — September 15, 2021 —Nolan Centers has joined AeroGo in the new position of Plant Controller. Nolan brings a decade of experience in manufacturing operations and cost accounting. He will be responsible for providing financial direction and recommendations in support of company objectives. His purview includes inventory, software implementation and LEAN initiatives. AeroGo president John Massenburg stated, “The Plant Controller position is critical as we expand operations in the future.”

Founded in 1967, AeroGo is the world leader in providing innovative load moving solutions for awkward, delicate or exceptionally heavy loads used in factories. Visit www.aerogo.com for more information.
